

## Notice of Branch Closure

July 19, 2019

Dear FNNB Bank Customer:

At FNNB Bank, our relationship with you is very important; that's why we always want to keep you informed of events that affect your banking with us. On **Friday, November 15, 2019**, FNNB Bank will be closing its Colonial Plaza office located at 1821 1<sup>st</sup> Avenue East, Newton, Iowa. Starting August 10<sup>th</sup>, 2019, the Colonial Plaza will have reduced hours of operation. No action by you will be necessary.

As technology continues to impact banking, it has resulted in declining foot traffic, and therefore, it's become harder to maintain the daily operation at two locations. We appreciate your business over the years and hope that you will continue your banking relationship with FNNB through our downtown location, at 100 North 2<sup>nd</sup> Avenue West, Newton, Iowa.

As a full-service bank, FNNB Bank offers online banking, mobile banking, mobile deposit, bank by phone, or bank by mail for your banking convenience. The Bank will also maintain the ATM at the Colonial Plaza location.

If you are a safe deposit box customer, you will receive a separate letter regarding your safe deposit box. The bank will provide assistance in relocating your safe deposit box to our main branch downtown Newton.

Although reaching the determination to close The Colonial Plaza was difficult, it will help the Bank maintain the same high level of customer service and attention to the needs of its customers for many years to come. We will fully strive to minimize the impact of the branch closure on our customers.

The bank appreciates and values your continued relationship and looks forward to serving your needs into the future. If you have any questions, please contact us at 641.792.3010.

Sincerely,

Rob Kahn  
President & CEO
